Newsletter - September 2024

Firstly, the staff and I at Little Bo Peep Preschool would like to welcome all the children ready for a fun filled new term. We have old faces, new faces and new resources for our preschool room which I am sure the children are going to love to explore.

Planning

Our preschool planning can be found on the board in the preschool room. We firmly believe that children thrive more when they are learning through their interests. As a team we will carry out observations of the children as we are getting to know them through the first term. Our first topic will be 'All about me', this enables us to get to know your children and build those important relationships between us. We will ask for photos and memorabilia from home to support this topic. As part of this topic, we will also be sending out an 'All about me' box each week, in turn each child can take it home and fill it with their favourite items. The children can share the items with their new friends which will support their confidence in the setting.

In relation to the planning, we will send out a half term overview, this enables you to see some of the activities we will be doing over the half term, it also has a section which gives you some ideas to do at home to support your child's learning. If you would like any more information about our planning, then please speak to a member of staff.

Key workers

Each child has been allocated a key worker, the allocated staff are responsible for settling your child into the setting and carrying out the relevant paperwork throughout each term. Please encourage your child to familiarise themselves with their key person and if you would like to speak to them regarding your child then please let us know. The key worker board is situated above the children's trays which will have photos of the children and staff, so they can easily identify their key person.

Tapestry

We use an online observation tool called tapestry to record some of your children's highlights and achievements. It is a fabulous tool which not only can be used as a way of recording your child's development but also it is amazing at showing you little pieces of your child's day using videos and photos. Each tapestry account is individual to your child and no one else has access to this. You will be given a form to fill out which gives us permission to add your child to the software. If you have any problems, then please do let us know. You can also add photos and memories onto the account which the staff can access, this is another wonderful way to encourage the children to share their experiences from home and gain confidence to talk in larger groups.

We also have Tapestry competitions for parents! Where we will ask you to upload photographs on a specific topic, parents that participate will be put into a draw and then a winner will be drawn at random for a prize!

Our preschool routine

- 7:30-9:00 Preschool opens, main entrance - Breakfast and Free play
- 9:00 - Welcome children through main entrance - Children will be encouraged to find their named drawer and pegs to place their belongings inside.
- 9:15 - Morning circle time
- 10:00 - Snack time - Please bring in a healthy snack and named bottle.
- 10:20-12:00 -Adult led activities/free play and free flow indoors and outdoors
 - Activities will be planned around our topic of the week.
- 12:00 - Lunch
- 12:45-1:00 Outdoor play
- 1:15-Afternoon circle time
- 1:30-3:00 Afternoon activities/free play and free flow indoors and outdoors
- 3:00 - Home time for some children
- 4:00 - Afternoon snack (Brought in from home or charged at an additional rate)
- 6:00 - Home time

Things to bring to Preschool

- Forest School Kit for Wednesday's - In all weathers, children must bring waterproofs as you never know when a stream or puddle comes our way

for exploring. Children must also bring a full set of spare clothes including underwear and socks!

- Spare clothing - This can be kept on your children's peg and replenished when needed
- Wellies - Children are required to bring wellies each day as even on sunny days our area can be quite muddy. This will not only protect their shoes but also our environment from a muddy carpet.
- Fruit snack - Children must bring in a fruit snack to preschool each day which is put in their tray in the mornings. Children can be provided with water throughout the day, however you are more than welcome to send your child with a named drinks beaker. Please bear in mind we are preparing children for school and encouraging independence, so please choose an appropriate drinks beaker for your child's age.
- If your child stays after 4:00 then they will need a tea which can either be a snack or a full tea. If you would prefer us to provide an afternoon snack then this will be at an additional cost of £2.50

Grace Kelly

We have been privileged to have been able to support a wonderful children's cancer charity which is local to the area over the last year. The charity does some incredible work with the children and their families and raise awareness of this awful disease. We will continue our support of them so look out for upcoming events.

Fee's

If you would like additional hours for your children, then the cost of this after your funding allocation is £10.00 per hour. Your funding can only be used in term time, we do operate a holiday Fun Club which your child can attend for an additional fee. Fun club schedules and information will be sent out prior to the holidays.

If you have any questions, please do not hesitate to ask

Best Wishes
